Hon. Mike Lake, P.C., M.P.  
Edmonton–Wetaskiwin

Dear Constituents,

As is our annual custom, it's my pleasure to provide you with this 2017 calendar for your reference.

The photos in these pages represent just a handful of the many opportunities that I've had to represent you as your Member of Parliament. You'll also find, on the following page, contact information for both my Edmonton and Ottawa offices, plus several commonly requested government departments. I hope you find this helpful.

It is an absolute privilege to serve as your Member of Parliament, and I welcome any feedback you have regarding my work, or the work of your federal government. Please don't hesitate to call or e-mail my office, come out to a constituent roundtable meeting (call to book a spot) or join the discussion on Twitter (@MikeLakeMP) or Facebook (Facebook.com/MikeLakeMP). I look forward to hearing from you!

All the best,

Mike has been working hard as part of the Official Opposition to hold the government to account, and to be the voice of the taxpayer. He has been a strong advocate for more action from the government to create jobs in Alberta, to curb the deficit spending, and to promote growth and investment in his riding.

Mike hosted his annual Pancake Breakfast, and had a wonderful time despite the rain! It's always a highlight of the year for Mike to meet with constituents of all ages, and hear about the issues that matter to them. Engaging with the local community is the best part of his job as a Member of Parliament.

Mike spent Canada Day with his family in and around the riding. Mike met with constituents, spoke at various celebrations, and handed out Canada pins. It was a wonderful day celebrating the greatest country on Earth! He also participated in various parades across his riding, including in Leduc, Devon, and Wetaskiwin.

As part of his role as the critic for maternal, newborn and child health, Mike visited Tanzania alongside World Vision Canada and saw firsthand the results of Canada’s investments in saving the lives of women and children under 5. Whether it be in nutrition, immunization, or the rights of women and girls, Mike is passionate about seeing people not only survive, but thrive.
